Proceedings of the Institution of Civil Engineers Structures & Buildings 158 April 2005 Issue SB2 Page 155

## Erratum

Diagonally-reinforced beam-column joints reinforced under cyclic loading

F. T. K. Au, K. Huang and H. J. Pam

Further to the publication of this paper in Proceedings of the

*Institution of Civil Engineers, Structures and Buildings*, **158**, No. 1, 21–40, the following correction should be noted.

The title was printed incorrectly. The full title should read 'Performance of interior beam–column joints reinforced with diagonal steel under cyclic loading'.
