1. THIS ADDENDUM hereby modifies and supplements the attached Publication Agreement concerning the 
following article.

___________________________________________________________________________________________

(manuscript title)

___________________________________________________________________________________________

(journal name)

2. The parties to the Publication Agreement as modified and supplemented by this Addendum are:

______________________________________

(corresponding author)

______________________________________    ______________________________________________

(Individually or, if more than one author, collectively, the Author)  (Publisher)

3. This Addendum and the Publication Agreement, taken together, allocate all rights under copyright with respect 
to all versions of the Article. The parties agree that wherever there is any conflict between this Addendum and 
the Publication Agreement, the provisions of this Addendum are paramount and the Publication Agreement 
shall be construed accordingly.

4. Notwithstanding any terms in the Publication Agreement to the contrary, AUTHOR and PUBLISHER agree as 
follows:

4.1. Professional Activities. Author retains the non-exclusive right to create derivative works from the Article 
and to reproduce, to distribute, to publicly perform, and to publicly display the Article in connection with 
Author’s teaching, conference presentations, lectures, other scholarly works, and professional activities, 
for non-commercial purposes.

4.2. Author’s Final Version. Author retains the non-exclusive right to distribute copies of Author’s final 
version for non-commercial purposes, by means of any web server from which members of the general 
public can download copies without charge. “Author’s final version” means the final version accepted for 
journal publication, and includes all modifications from the publishing peer review process.

4.3. Published Version. Author has the non-exclusive right to distribute for non-commercial purposes, copies 
of the published version of the Article by means of any web server from which members of the general 
public can download copies without charge, provided that Author cites the journal in which the Article has 
been published as the source of first publication, and further, that Author shall not authorize public access 
to the published version any earlier than six months from the date that Publisher first makes the final, 
published version available to Publisher’s subscribers. “Published version” means the version of the 
Article distributed by Publisher to subscribers or readers of the Journal.

4.4. Acknowledgement of Prior License Grants. Where applicable, Publisher acknowledges that Author’s 
assignment of copyright or Author’s grant of exclusive rights in the Publication Agreement is subject to 
Author’s prior grant of a non-exclusive copyright license to Author’s employing institution and/or to a 
funding entity that financially supported the research reflected in the Article as part of an agreement 
between Author or Author’s employing institution and such funding entity, such as an agency of the Hong 
Kong Government.

5. For record keeping purposes, Author request that Publisher sign a copy of this Addendum and return it to 
Author. However, if Publisher publishes the Article in the journal or in any other form without signing a copy of 
this Addendum, such publication manifests Publisher’s assent to the terms of this Addendum.
This addendum is based upon one suggested by SPARC (the Scholarly Publishing and Academic Resources Coalition) [http://www.arl.org/sparc/author/](http://www.arl.org/sparc/author/) and Science Commons [http://scholars.sciencecommons.org/](http://scholars.sciencecommons.org/) Endorsed by the Hong Kong Open Access Task Force.
